

NovaSpers® Standard Color Dispersions for LSR and HCR¹

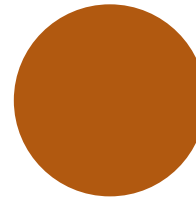

A colorful portfolio of silicone elastomer products from NovationSi.

NovaSpers® Standard Dispersions are high quality colorants and additives expertly dispersed for LSR, HCR, and RTV applications and available with very quick turnarounds. Color matching, custom colors, custom formulations, and special effects (such as sparkles, neons, and translucents) are also available.

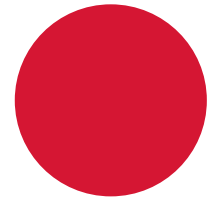

NovationSi is the manufacturing subsidiary of **RDAbbott**—a materials science, engineering and distribution company that’s devoted to the advancement of rubber technologies —where applied curiosities become a reality. While our curiosity brings new ideas to life, it’s our teams’ know-how from decades of experience that produces superior and innovative products.
