PREMIUM ELASTOMER PRODUCTS FROM TRUSTED SUPPLIERS

ALPHA TECHNOLOGIES

World leader of precision rubber laboratory instruments and data analysis software

Rheometers • Tensometers • disperGRADERS™ • Data Acquisition/Analysis Software

World leading synthetic high-performance polymers for automotive and tire industries

Baypren® (CR) • Keltan® (EPDM) • Krynac® and Perbunan® (NBR) • Levamelt® and Levapren® (EVM) • Therban® (HNBR) • Buna™ CB (PBR), Buna™ SE (ESBR), and Buna™ VSL (SSBR) • Taktene® • X_Butyl® Regular Butyl (IIR), Bromobutyl (BIIR), and Chlorobutyl (CIIR)

TOKAI CARBON GROUP

Global thermal carbon black producer using revolutionary, environmentally responsible manufacturing technologies

Thermax® N990, N990CG, N990UP, N991, N991UP, N907, N908, and N908UP Medium Thermal Carbon Blacks

World's largest manufacturer in silicone technology

SILASTIC™ Fluorosilicone Rubber (FSR) Compounds, Fluoro Liquid Silicone Rubber (F-LSR) Elastomers, Gums and Modifiers, High Consistency Silicone Rubber (HCR) Bases and Compounds, Liquid Silicone Rubber (LSR) Elastomers, Liquid Silicone Rubber for 3D Printing, and Moldable Optical Silicone Rubber

World-class manufacturer of plasticizers, dry-liquid dispersions and magnesium additives

Plasthall® • Paraplex® • TegMeR® • Suprmix® • Maglite® • Marinco

Comprehensive supplier of rubber-grade mold releases

Crystal • DiamondKote™

Premium modifiers, additives, and colors for silicone, plus custom LSR compounds and other highly specialized elastomer products.

NovaSperse® • PURmix®

World's largest supplier of rubber-to-metal bonding systems

Aqualast® • Autoseal® • Chemlok® • Chemosil® • FlockLok® • LokRelease™ • LORD® High Performance Coatings • LORD® In-Mold Bonding Adhesives (IMB™) • Sipiol® • Ty-Ply®

Future-oriented, global supplier of predispersed chemicals and additives

PremiX® and PremiX®/S (predispersed materials) • PremiX®/HF (strained predispersed high filtration materials) • Veacolor® (predispersed organic pigments in slab form) • Dry Liquids

World's largest supplier of millable polyurethane polymers and cure systems

MillaMed® • Millathane® • Thanecure®

RDAbbott is also a full-service supplier of **Burlan** polyester curing tapes, **R. Murphy** mill knives, and **ThreeBond** cyanoacrylate.
